Upcoming Preschool Screening

Climax-Shelly School will be conducting a Preschool Screening Clinic on Monday, May 19th for children who will be 4 years old by September 1st, 2025. Participation in this developmental screening is the State Law prior to Kindergarten entrance. Paperwork is being mailed out to families who are on the school census. If you know a child who is eligible for this screening and has not received paperwork, please call the School @ 218-857-2395 to set up an appointment.

To request more information, please call the school or email bgrimes@isd592.org

Reminder:

Parents, the school day ends at 3:18 PM. Please do not go to the classroom before the final bell to collect your child. If you arrive at the school early, please wait in the entrance area by the gym. We understand if a student has an appointment that they may need to leave early. Our staff is trying to get our bus students ready at that time and the least amount of disruption the better things go. All students who are getting picked up will be released when the final bell rings at 3:18 PM. Thank you in advance for your cooperation.
