5th and 6th Grade Fall Volleyball

Climax-Fisher will be participating again this year in the fall volleyball league. This is a great opportunity to introduce the fundamentals of volleyball before entering high school. Parents will be responsible for transportation to and from games and practices. 4th graders are invited to attend these practices but playing time isn't guaranteed.

- Practices will be held on Wednesdays in Climax from 5:45-7:00.
- Games are set by the coordinator for this traveling league and the following dates are:
 - **September 24: Thief River Falls**
 - **October 1: Fosston**
 - **October 8: Climax**
 - **October 15: Crookston**

There are six towns that participate in this and only 4 towns host the games on Saturdays. Games normally run from 9:00-1:00 on those dates.

-If interested please complete the form below and return to school by Monday September 12, 2022 or at the first practice. First practice will be September 14, 2022. If you have any questions please contact Brenda Slyt: at the Climax Shelly School.

Bus Route & Bus Driver Information

The updated bus routes are on the school's website. If there are any changes that need to be made, please let the school know.

Students will be picked up and dropped off at **DESIGNATED BUS ROUTE STOPS ONLY!**

If a child needs to be dropped off at another student's home, a parent's note will be needed for the bus driver. It is important to stay on time with these bus routes and we appreciate your help in this manner.

*If your child needs to ride a different bus, please call their teacher and bus driver so they know of the change.

All sports fees need to be paid before the 1st game. All MSHSL forms and physicals need to be in the 1st week of practice. All forms can be found on the school website.

*Students who participate in more than one sport per year will have a cap on the sports fees. Families who have more than one student participating in sports will only pay \$175 per family for the year.

Tips to Keep Your Kids Healthy as They Go Back to School

When the kids head back to school you may see parents dancing around with joy but you will also see parents desperately trying to keep their kids healthy. While fall is always a fun time as the new school year begins, it also frequently means your kids will have an increased exposure to germs at school. We all want to stay healthy and keep our kids healthy and, fortunately, there are a few things you can do to keep your kids healthy as they head back to school.

Tips to Keep Your Kids Healthy as They Go Back to School **Wash Your Hands**

No matter what age your kids are, it never hurts to remind them about how basic hygiene practices can really help cut down on illness. Kids should always wash their hands after the restroom and before meals.

Cover Your Face!

Kids should always try to cover their face when they sneeze or cough with the 'vampire' cover. The 'vampire' cover is when you hold your arm up to your face with your elbow being the primary cover that protects against the spread of germs so that your hands do not get the germs on them.

Sharing is NOT Caring

When it comes to things like water bottles, utensils, or food, sharing is definitely NOT caring. While sharing in other circumstances is great, sharing of things that have bacteria on them should be avoided at all costs.

Make Healthy Food Choices

While kids may be tempted to trade foods, hit the vending machine, or just eat those less-than-healthy foods while mom and dad are not around, healthy food choices should be encouraged daily. Eating healthy foods and drinking plenty of water supports your immune system and helps you stay more healthy than processed or sugar-filled food does.

Sleep Well

One of the most important things humans of all ages need is sleep, and plenty of it. Not only will your child be better prepared for the day ahead but their immune system will have time to rest and recover when they get plenty of sleep.
