The Jr. -Sr. Prom of 1971 was once again an outstanding event of the year. The time and effort spent on the prom was greatly appreciated by the Seniors. Music for the evening was provided by the "Sweet Pain."

WE'VE ONLY JUST BEGUN TO LIVE...
WHITE LACE AND PROMISES, A KISS
FOR LUCK AND WE'RE ON OUR WAY.

WE'VE ONLY JUST BEGUN. BEFORE
THE RISING SUN, WE FLY. SO MANY
ROADS TO CHOOSE, WE START OUT
WALKING AND LEARN TO RUN...AND
YET, WE'VE JUST BEGUN.

SHARING HORIZONS THAT ARE NEW
TO US, WATCHING THE SIGNS ALONG
THE WAY, TALKING IT OVER, JUST THE
TWO OF US, WORKING TOGETHER, DAY
TO DAY ... TOGETHER.

AND WHEN THE EVENING COMES, WE
SMILE. SO MUCH OF LIFE AHEAD, WE'LL
FIND A PLACE WHERE THERE'S ROOM
TO GROW ... AND YES WE'VE JUST
BEGUN.

In order for school government to be effective, all segments of the system must be represented, an atmosphere conducive to the free exchange of ideas must prevail, and the input from all levels must be given equal consideration. The Student Faculty Coordinating Council was inaugurated to provide these essentials. Through the agency, student representatives, faculty representatives, and administrations could discuss problems and reach solutions sensitive to the needs of all concerned.

The student council served as a forum where general policy statement could be developed on positions from many student opinions. These statements were then placed before the SFCC for discussion.

It was through the hard work and the cooperative attitude of the members of these groups, that produced meaningful changes in the educational policies.

STUDENT SECRETARIES

Education is not only obtained in the classroom but also in practical work experience. The theory behind the student secretary program is to give students a working knowledge in the area in which they are involved and at the same time assist teachers and administrators with the paperwork and details involved in the operation of the office.

This is an example of the excellent student-teacher cooperation we have had this year at Climax High School. Through these and other activities, students have become more involved in their education, a better atmosphere for learning has resulted, and the teachers have been exerting a greater effort to instruct their students in their respective areas of education.

SENIOR SYNOPSIS

In September of 1967, thirty-two shy but eager students entered Climax High School as Freshmen. With hard work and determination we set out to reach our goals. This was our year to become more involved in band, chorus, FHA, FFA, declamation, and sports. Our first major project was the building of our homecoming float, "All You Add Is Love." We didn't win a prize, but we felt we did very well.

Our Sophomore year also began with homecoming festivities being our major concern. Our float was, "We'll Swallow All But De-Feet". We presented the play, "Pierrot, Poltroon", which was well received.

In our Junior year, our float was "Victory's In The Air". We presented the play, "Twelve Angry People", under the direction of Mrs. Donna Olson. This was very successful in spite of being interrupted by a fire bell. The actors and actresses regained their composure and continued without problems. Also in our Junior year, we hosted the Seniors at our prom, "A Time For Us". We worked many long, hard hours to make this a prom we would never forget.

Our final year began with success as we received first prize for our float, "Crowned With Success", at the homecoming festivities. Our Senior class play, "Flight Into Danger", directed by Mrs. Viola Olufson, brought a large, enthusiastic crowd, which helped to make the play the great success it was.

On May 28, 1971, thirty-one proud and successful seniors, having reached our goals, received diplomas. This marked the end of our high school years and the beginning of a successful and promising future, leaving behind many experiences and taking with us a vast storehouse of memories.
