Dedication

The class of 2019 would like to dedicate this year's Yearbook, to a very kind hearted teacher, a teacher that has been able to put up with our entire class, a teacher that always has a smile on their face, a teacher that could make Mondays feel like Fridays, with how happy and positive they are. There are so many things you have done for us that we cannot thank you enough for. You have always fed us positivity throughout the last few years. We are very thankful to have had you as a teacher. A few memories that we will always remember are; walking past you in the hall, and how you are always trying to make us laugh with your goofy jokes and "great" dance moves. It feels like we have known you for our whole lives but really it has only been a short period of time. We hope you remember the times we shared. Thank you for all of the wonderful and fun memories! Do not forget us, Mr. Farwell.
