The Year Of The Champions

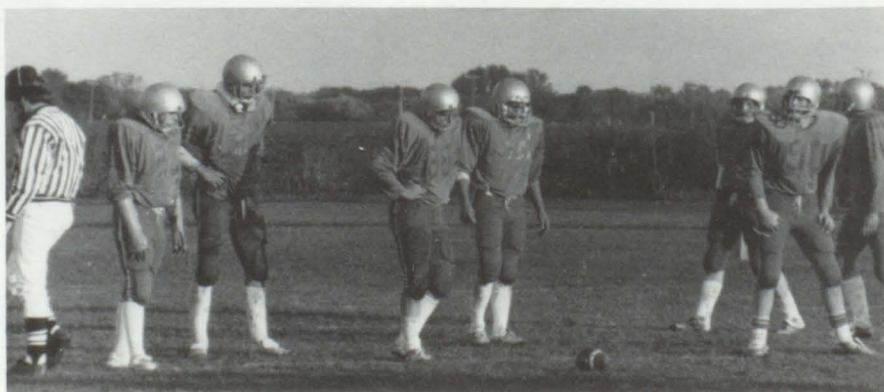

Norman County West- a Climax started the season with a squad of thirty-eight men. Many were already seasoned veterans from a successful season the year before. Coach Kraabel worked hard getting the team in shape, and the boys responded by bringing home twelve wins before the Prep Bowl Playoffs against Silver Lake. Everyone hoped for a victory but Silver Lake won 27-12. Many from the Halstad, Shelly, Climax area have supported the team all season, and everyone is really proud of our 1983 football season.

Carnival Fun Night

Seniors: G. Thomas and L. Gray

Juniors: K. Grove and T. Schmaltz

Sophomores: R. Sondrol and P. Baatz

The carnival was held Friday, October 28. Following the program and games was the coronation, where the freshmen, Traci Schmalz and Shawn Erickson won. The Senior high was busy selling carnival tickets for their class. This year more tickets were sold than usual. We plan to buy a new scoreboard with the money raised. It was a profitable and fun carnival.

1983-84 Girls Basketball Season-If one was to look only at the record that the girls had this past season you would think that it wasn't a very successful one. But if you look at the season in a different perspective, that of improving, never quitting and trying your hardest you would see that the girls have been very successful this season. Some of the more obvious improvements were our style and ability to play defense. In the beginning of the season we didn't play defense as a unit but rather as five separate players. We learned to play as a team, help each other out and move as one unit. This was the thing I was most pleased with. As you can see the year was both a frustrating one and a rewarding one. I believe if the players are willing to put in a lot of time and hard work over the summer, next fall we will improve in the areas we were not successful at this year.

Coach Moenkedick.

Raise your hand if your sure!

Look at me when I'm talking to you.

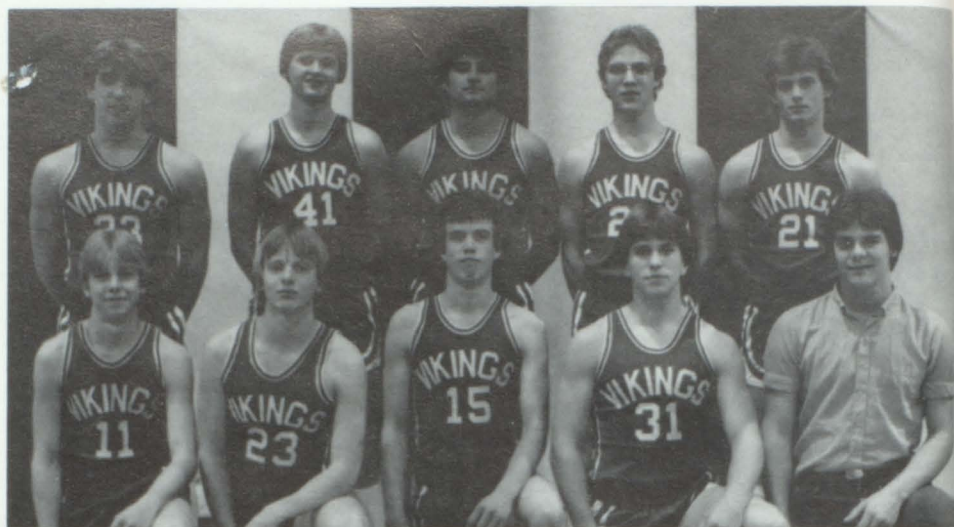

Look out, I'm coming through!

The 1983-84 Basketball Team

The 1983-84 boys basketball team had a successful year by their determination, hustle, and enthusiasm. The record was 6-14 although they put up a good fight they ended up losing by only a few points in many of the games. Through out the season they put a lot of hours, physically and mentally, to prepare for their games. We are really proud of our team and the fans for the spirit and pride that they put out. Success is not only determined by wins, but also sportsmanship.
