SCIENCE CLUB PRESENTS

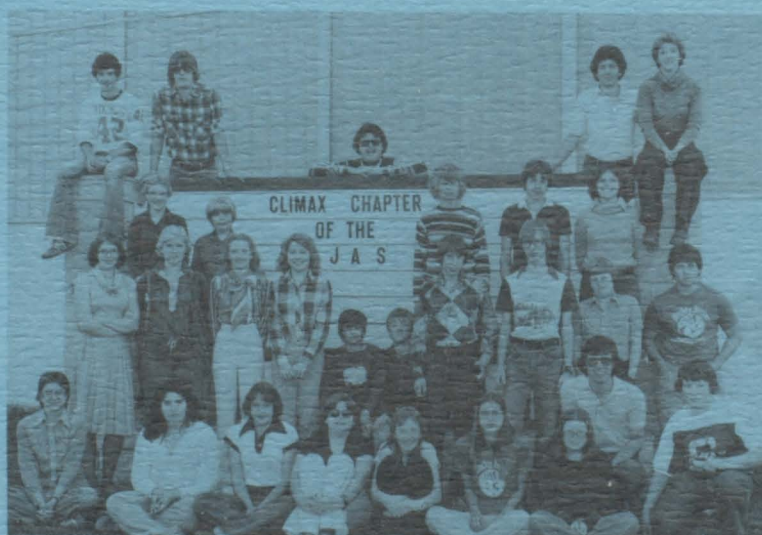

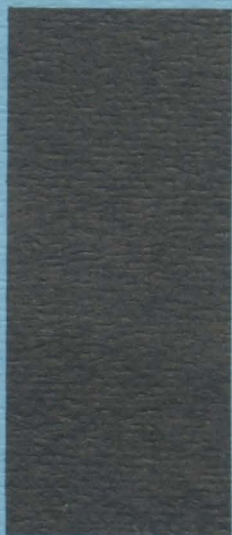

The 1978 Science Club has had a very successful year. In the fall, Mr. Weispfenning, Debbie Dale, and eleven students attended the State Science Symposium. They held a Halloween Dance and collected aluminum cans to turn in to the recycling center. Six students attended the Regional Science Fair, which was held at Moorhead State College. The entire Science Club went to Winnipeg for a day of sightseeing and scientific endeavor. It was quite a fascinating year all in all.

Regional Science Fair Students: Twyla Bratager, Juel Vigness, David Hegge, Scott Knain.

Symposium Students: D. Wegge, J. Carlson, L. Paulsrud, J. Kerested, L. Cayler, P. Boyer, D. Hegge, P. Bjornstad, J. Cooper, V. Thoreson, B. Swenson.

This is the 50th anniversary of the FFA. It was started in 1928 on the National level. Vo-Ag was started in Climax in 1938 and an FFA Chapter was chartered in 1948, so this is also the 30th anniversary of the Climax Chapter.

The Climax Chapter was very busy with many activities throughout the year. Kit Schwartzman, Cary Bernhardson, Melanie Bruun, Eric Thoreson, and Brian Chandler attended the National FFA Convention in Kansas City. They brought back a lot of useful information.

The Chapter was 51 members strong this year. 11 of these were Greenhands. These Greenhands contributed a lot to the organization.

At the Chapter Banquet 14 Chapter Proficiency awards were given out in 8 different areas of agriculture. Karen Howsen and Larry Johnson were inducted as Honorary Chapter Farmers. Judging awards and other various Chapter awards were handed out.

Strong Chapter projects such as the Annual Fishing Trip and Softball Tourny help to maintain interest throughout the summer. Summer test plots were introduced this year to the Horticulture students.

Doing things with other chapters has helped them to carry out larger projects, one of these is the Children's Barnyard. The Crookston FFA helps them to put this on each year at the Red River Valley Winter Shows.

All of these activities have helped to strengthen the Chapter and teach new things to the members.

Action Activity Event

The FHA's main goal this year was to promote school spirit. We painted a Viking on the gym wall, supported the teams, and put on an Athletic Banquet in the spring.

Lori, Linda, and Pam went to the State Convention with two Action Activity Events. Lori also ran for State office.

In February we worked behind the scenes at the Style Show and Pops Concert. We took on Four Banquets this spring - either serving or sponsoring them.

Sometimes we've felt like we'd never get all the work done. Often we wouldn't have if it hadn't been for the Mothers, especially our Chapter Mom's - Marge Grothe and Yvonne Cooper.

We've had great experiences and it has been a rewarding year.

Music has always been a big thing in our school and this year was no exception. The Band took 2 stars at contest after performing at many different concerts during the year. The Chorus was also very good this year receiving 3 stars at contest. They did enjoy doing a new type of entertainment when the Chorus did a number for the Pops Concert with complete choreography. Jazz Band was brought back this year along with a new ensemble called Dixieland Band the people enjoyed them very much at the Concerts they performed at.

At the District Contest for Instrumental Ensembles the Brass Trio (Dale Grove, Todd Grove, and Dan Palm), the Brass Quartet (Trio plus Raiko Malmlov), Clarinet Quartet (Tracy Grothe, Lori Durkin, Linda Doeden, and Leah Paulsrud) and the Flute Duet (Lori Nornes and Judy Mickelson) all star along with the Jazz Band.

At Districts and State-Regionals the Vocal Solos and Ensembles all received stars.

At Graduation the Triple Trio, Chorus, and Band performed. The Music Club has been very helpful the past few years in buying instruments and giving Music Camp scholarships to the Music Department.

LOOKS LIKE WE MADE IT!!!! After putting in a lot of hard work and learning a lot of new things we finished the annual. It was a lot of fun doing it and everyone on the staff put a lot of themselves into the pages and pictures they turned out. Sure a lot of people could be pointed out for individual efforts but in truth it could never have been done without each and everyone of them. Mr. Mickelson and Mr. Weispfenning put up with a lot to see this project through to the end, but they stood up to the task to help construct this book. Enjoy these "Memories Through Photographs" while you view the 1978 Viking.

SPORTS

The Boys Track Team Did Well And Won Many Meets.

The boys track team, coached by Bob Peterson and Al Beck, had an exceptional season. They won tough meets and broke many records. Among the meets they won were the Agassiz Valley Indoor and Outdoor meets. They also took first in a triangular meet they hosted at the home track. Congratulations on a good year.

The dozen girls out for 1978 track were a disciplined group of girls. They had matured a lot since the last season. The girls won their first trophy ever in a meet at Climax against Halstad and Hendrum with a score of 68-45-44. Throughout the season the girls made new records and broke many old ones. Congratulations girls!

Varsity Basketball

The boys made the 1977-1978 year an excellent year. The year was made up of hard work, long practices and a lot of fun. The tournaments were an experience that the boys will never probably forget. We received 2nd place in the tournaments, Kevin Johnson, John Thoreson and Kim Haugstad received All-Conference players from our district. The season's record for the Climax Vikings was 18-3.

The Impressive Year Of 1977-1978

The volleyball girls did a real good job this year. They really had good school support from the students and parents. The girls really had a fun time this year. They had some close losses and some big wins. Even though they had long trips they didn't go just for the ride. They usually came home with a win! The tournaments were a surprise. They went further than the first night! They beat Sacred Heart the first night, but the second night the RLF-Eagles won. The girls did a fine job this year.

Agassiz Valley Vocational Cooperative Center

The Agassiz Valley Vocational Cooperative Center consists of 3 schools, Climax, Crookston, and Fertile-Beltrami. It was formed with the idea of providing more classes with better equipment for all the schools.

At the high school level they offer such classes as Food Services, Con. Trades, Welding, Auto Body Repair, Ag. Occupations, and Power Mechanics to name a few.

It also extends beyond high school with such classes for adults as Adult and Veteran Farm Manag. and special courses.

It is taught by both college educated and skilled persons in those fields giving the students the best education possible.

Advisory Boards help to keep the Center standards on the highest level possible by suggesting improvements.

Pictured above are a few of the Model Office students. They work in a simulated office conditions learning all the basic office practices.

1978 VIKING ANNUAL STAFF

The 1978 Annual Staff started preparing for this year way before school started by sending the editors, Tracy and Melanie, and the business manager, Bruce, to a week of school at NDSSS in Whapeton, N.D. They came back prepared to teach the staff and incorporate many new ideas. Beth, Judy, Dale, and George attended a workshop at NDSU that helped ease the work load. We had a lot of fun putting this annual together, we hope you enjoyed it and will think of it in years to come as your personal memory book.
