THE MARCUS AAS MEMORIAL TROPHY

Marcus Aas was a much loved man who for many years was the janitor of the Climax School. Whenever a student or teacher needed help with special work, Marcus was always there lending a helping hand. Even though physically he will never again be with us, his spirit will always linger in the halls of Climax High School.

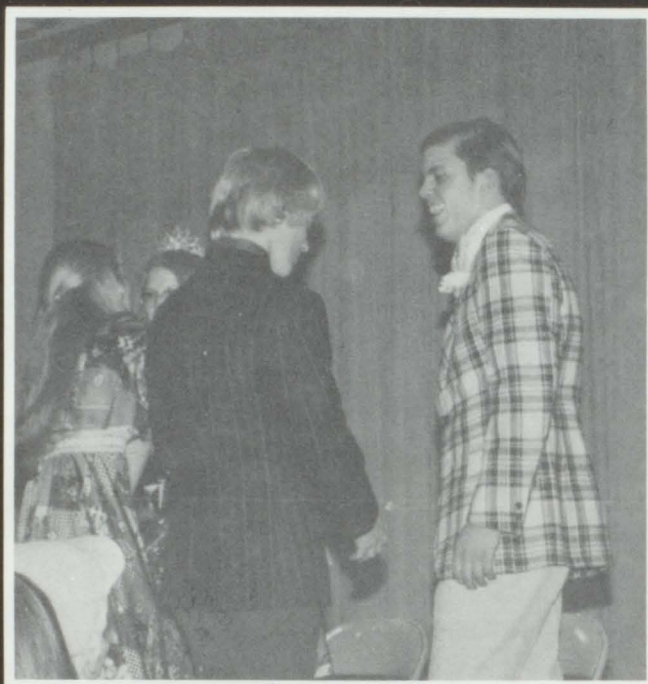

The Marcus Aas Memorial Trophy pictured above, will be engraved each year with the name of a student selected by the faculty who they feel has exhibited the best all around school spirit.

There is no friendship, no love,
Like that of the Parent for the Child.

We, the Senior Class of 1975, in gratefulness for their
unwavering love and friendship, dedicate this yearbook
to our parents.

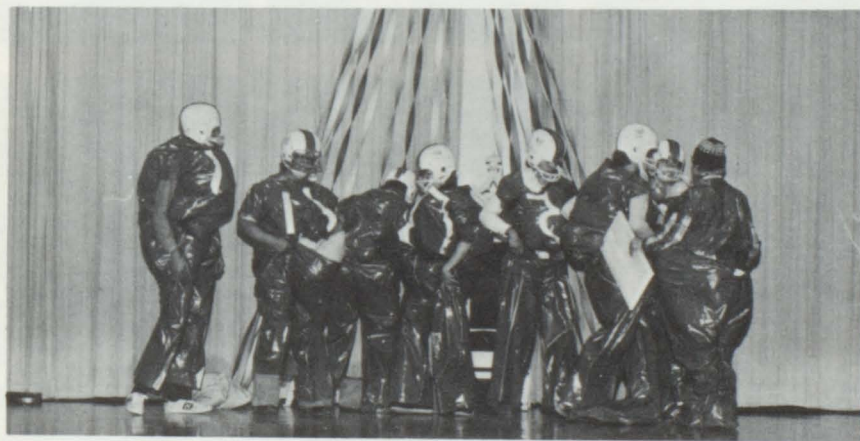

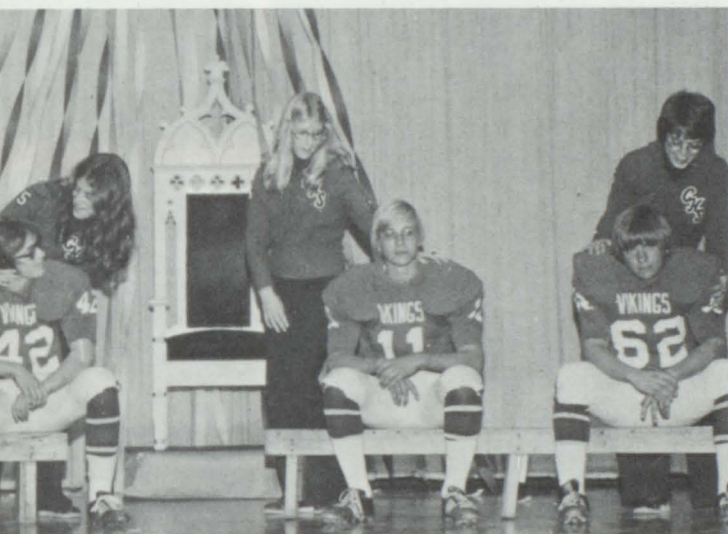

THE YEAR OF 1975 IN ACTION

JULIE SORENSON CROWNED AS '74 HOMECOMING QUEEN

The 1974 Homecoming brought anticipation, a crackling hot bonfire, nervous queen candidates, an enthusiastic crowd, and much enjoyment. Queen Julie Sorenson and her attendants, Denae Paulsrud and Coleen Thoreson, reigned over our Homecoming festivities. After losing the football game to Halstad on a freezing, rainy field we danced to the music of "Ace".

CARNIVAL

Friday, November 8, was a night of enjoyment for people of the Climax, Nielsville, Shelly, Buxton, and Eldred communities. This was the night of the Climax Public School annual fundraising carnival.

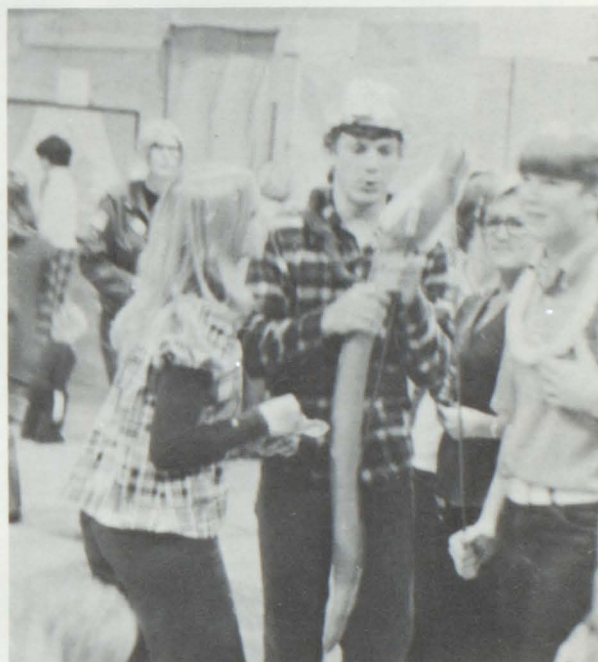

A program consisting of musical numbers by the grade school children, Vicki's Girls, and a style show by the senior boys started the evening at 7:00 p.m. Confusion broke loose with the opening of the game booths and bingo.

The evening was highlighted with the crowning of the 1974-75 carnival king and queen. When the excitement ceased, tired and weary students and teachers began to clean up the 300 pounds of confetti scattered throughout the building. Another successful Carnival had come to an end.

"Sunshine - It's Time to Live," was the theme for the FHA's Annual Banquet, which ended another successful year. Entertainment was provided by each class and installation of new officers was held. Daddy Date Night was a new experience for the girls and proved to be a lot of fun. As the year progressed the FHA and FFA held a 50's dance for the student body. "Daydream" was the theme for this year's Style Show-Pop's Concert. The Senior Choir, Sophomore Girls, Boys Quartet and Swing Choir provided the entertainment. Our final project was a bike-a-thon for the retarded citizens.

The FFA had a successful year. Activities included fall and spring leadership rallies, the Regional Banquet, and State Convention. Along with Halstad they set up the Children's Barnyard at the RRV Winter Shows. They co-sponsored a 50's day and dance with the FHA. They participated in the no-smoking campaign, sold concessions during football and basketball games, and had a week long truck wash. During the Christmas season, Christmas trees were again sold. For the first time our Chapter had a fruit sale which was very successful, along with our Annual Pancake Supper yielding the biggest turnout ever. A grain drive was held and the money donated to Camp Courage and Camp Confidence. The Chapter co-sponsored Golden Glove Boxing Matches. This year our Chapter had 2 State Farmers and 1 Regional Proficiency Award Winner. Todd Gilbertson represented our Chapter on the "People to People Tour" last summer. The Spring Banquet saw tremendous community support for the FFA as a large turnout heard Congressman Bob Bergland speak and saw the Awards Ceremony which included: Star Greenhand Award- Dan Brokke; Star Chapter Farmer Award- Bud Bruun; Star Agri-Businessman-Dan Grove; Dekalb Achievement Award - Irvin Rotvold; Honorary Members- Congressman Bergland, Gerald Bruun, Lyle Grove.

110 PROJECTS SPARK SCIENCE YEAR

This year the Science Club grew from 21 members to a mighty group of 63. They took field trips to Houske Funeral Home, the Moorhead State College Planetarium, and sent three delegates to the Science Symposium in St. Paul. Elaine Ramstad and Bryan Stortroen were elected regional delegates to the Minnesota Junior Academy of Science.

The Science Club put on their Fourth Annual Science Fair this year. The fair included 110 projects and several movies were shown. Eight exhibitors proceeded

on to the regional fair and received exceptional ratings.

Representing the school at the state level were Bryan and Elaine. Bryan received a red ribbon and honorable mention certificate for his project dealing with Solar Energy. He also received certificates from the Army and Air Force, a \$25 bond from the Corrosive Engineers Association, and a trip to exhibit his project at Northern States Power. Elaine received a blue ribbon and second place in the Senior High Biology division for her project entitled "The Effects of Carbon Monoxide on the Coronary Arteries."

Die Lieblings Tätigkeit des Vereins war die Begegnung um Abendessen wo deutsche Essen waren gemacht und vergnugt. Die Versammlung forderte eine Polka Party, die einem Polka Streit gross aufziehen. Kim Schwartzman und Bruce Sondrol sind die Polka Vorkämpfern.

Etwas neues haben wir diesen Jahr getan. Gummi Baren und Kinderkaubonbon (aus Deutschland eingeführen) waren verkauft und sie wurden einem Liebling durch der Schule.

Latzten Sommer haben zehn Mitglieder des Deutschvereins die National Versammlung in Colorado begleiten. Mitglieder haben Werkstatte und Spiele begleiten und haben Tätigkeiten wie das Oompa Band und Bergsteigen teilgenommen.

The German Club's favorite activity was its supper meetings where German foods were prepared and enjoyed. The Club put on their polka party which featured a polka contest. Kim Schwartzman and Bruce Sondrol were the polka champs.

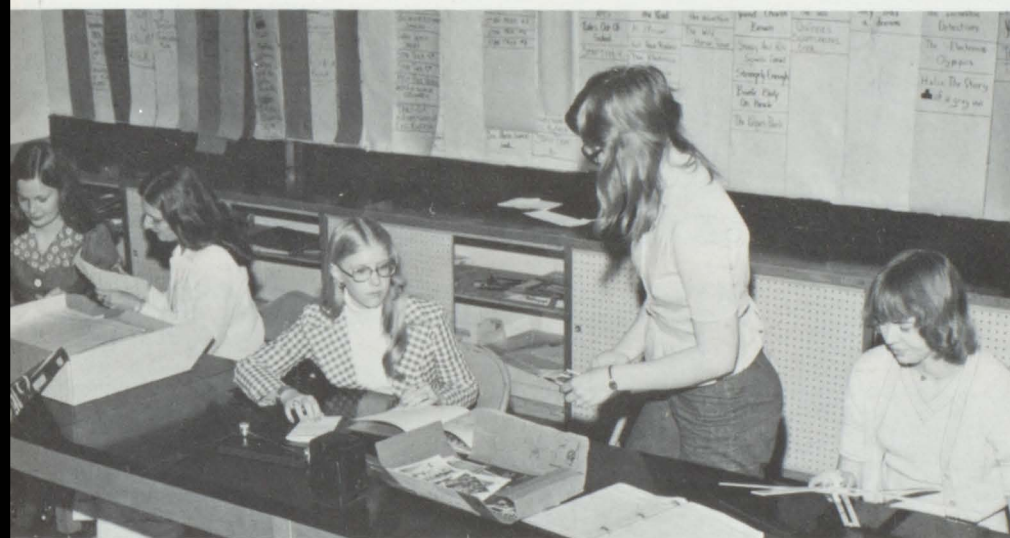

Something new was done this year. Gummi Bears and Softi Chews (imported candies from Germany), were sold and became quite a favorite through out the school.

Last summer 10 members of the Club attended the National Convention in Colorado. Members attended workshops and plays and participated in activities ranging from the Oompa Band to mountain climbing.

SPORTS IN ACTION

FOOTBALL

The 1974 Football season was rather disappointing because we didn't win a game. However the players enjoyed the practices and games. One bright point was the fact that the coaches were able to see a number of younger players in action which we hope will improve our football program next year and in the years to come.

The girls in Climax took a giant step in athletics this year by going interscholastic for the first time in the school's history. The basketball team was quite proud of itself for winning fourth place in the District 31 tournament. These girls showed a lot of spirit, displayed a great deal of pride, and put a lot of work and much of themselves into their team. These elements are a good foundation for building up a team in future years.
