Life's but a puzzle, with
pieces scattered upon the floor.
One more piece, on graduation night
Shall be fitted into place.
For as trivial as some may seem,
Our accomplishments, are our puzzle's pieces,
And no puzzle is ever completed,
without each and every piece.
-Deanna Dennison

"Mourn for the loss of loved ones
but shed no tear for their welfare
for they have ceased their earthly
searching and have come to rest with
our Lord in eternal peace and beauty."

The Senior Class of 1974 dedicates this annual in memory of Merlin Kent Evenson, May 29, 1953-July 29, 1973, and Leslie Quentin Evenson, October 18, 1950-January 22, 1974, for their friendship they have given everyone and their services to the Climax community.

ANNUAL STAFF . . .

This year the staff has worked hard to put together a really different annual. Looking through it you'll see many of the changes which we think of as improvements. We, the staff of this "74" edition, hope you'll enjoy this book as much as we did putting it together.

We would also like to thank all those people who helped make this year book possible: those who purchased advertising in our book, LeMar Photography for helping out with the pictures and of course Mr. Mickelson for putting up with a rookie staff.

The Year of 1974

The year of 1974 proved to be a very busy year; so busy as a matter of fact that parents found their sons and daughters running to a different activity nearly every night. In the fall the activities included football games and Homecoming preparations. In the winter the activities included basketball games and other club activities, and in the spring it was the usual spring rush. Even with the rush of three activities a night in four different places the year turned out to be quite rewarding for the Climax High students.

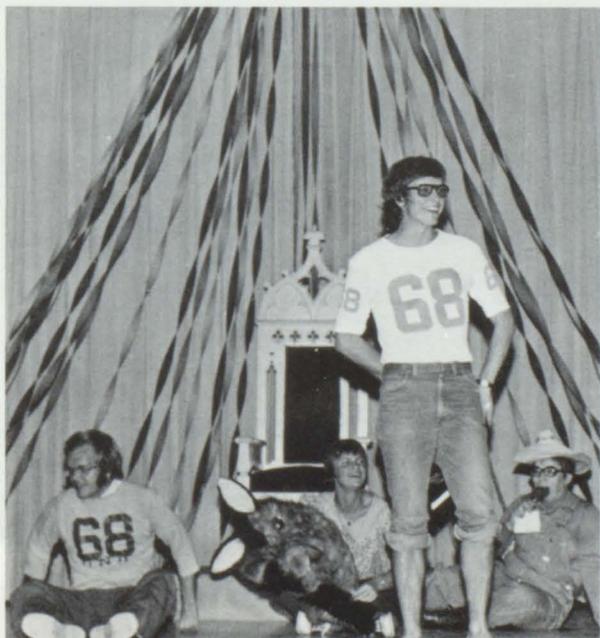

Homecoming

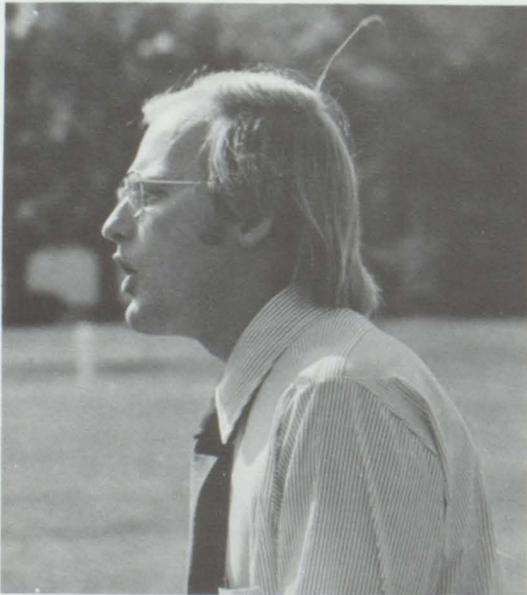

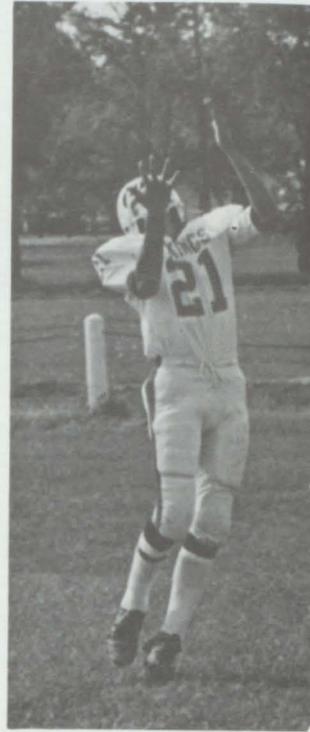

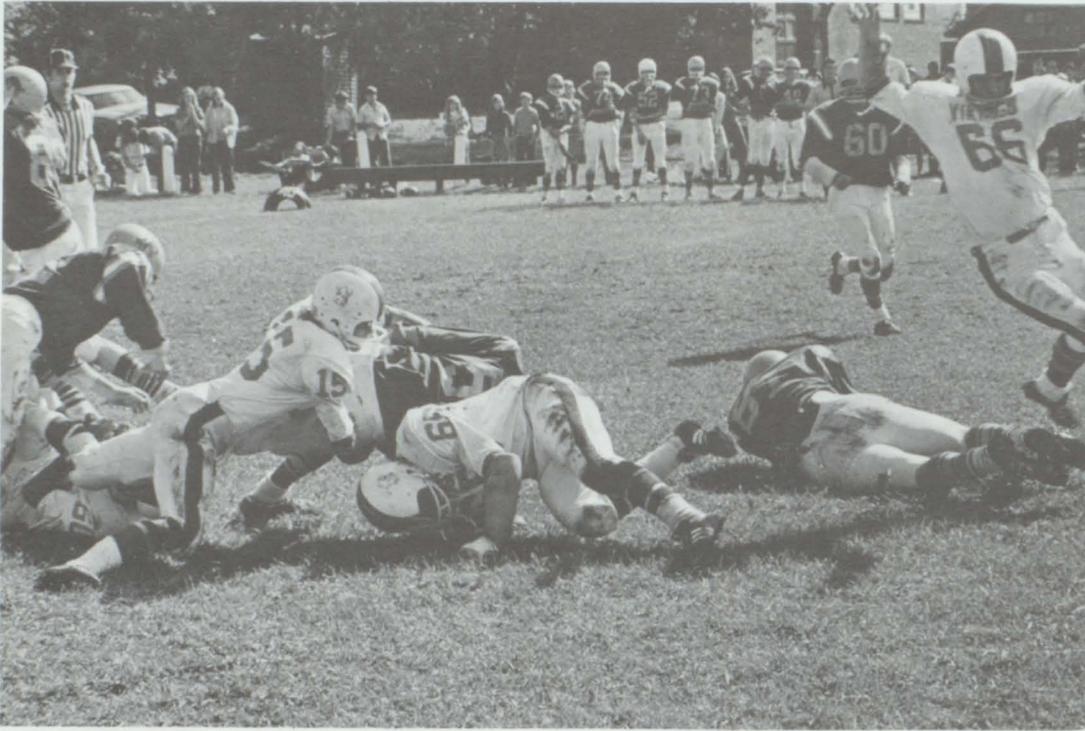

Football

Although the Vikings won only two games, the boys had fun practicing long, hard hours, and playing the game. Rain dampened Homecoming, including our parade and bonfire. Losing to Fisher on a soggy field added to the soupy night! Our Climax High floats, due to rain, never made it out of the bus garage! But one of the brighter notes was the skits given by grades 7 - 12.

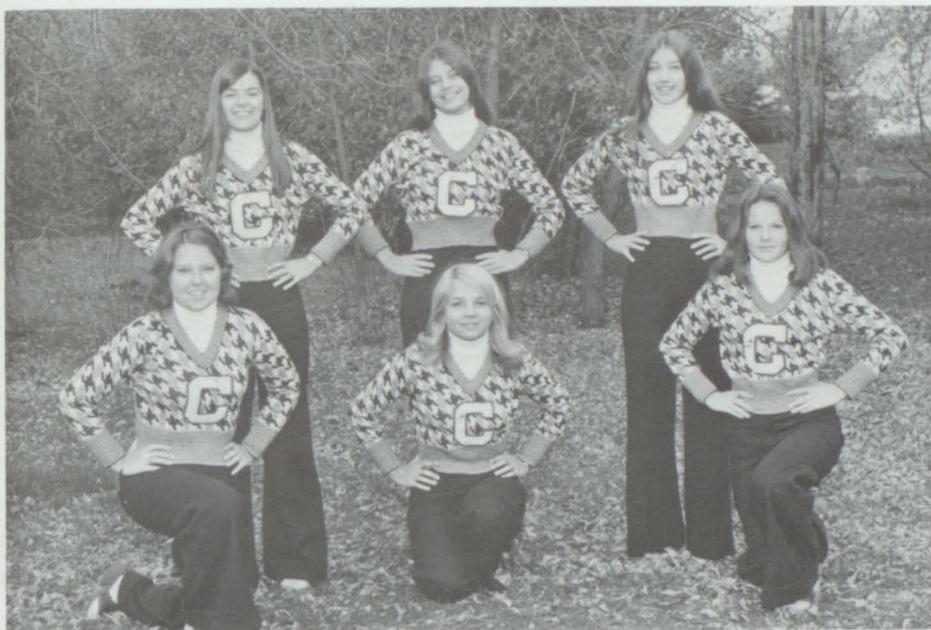

The evening was topped off by the crowning of this year's Homecoming Queen, Laurel Evenson.

STRANGE

Junior Class Play was really fun cause you got to work with great kids—learned to memorize and work with the kids and a lot of ad-libbing.

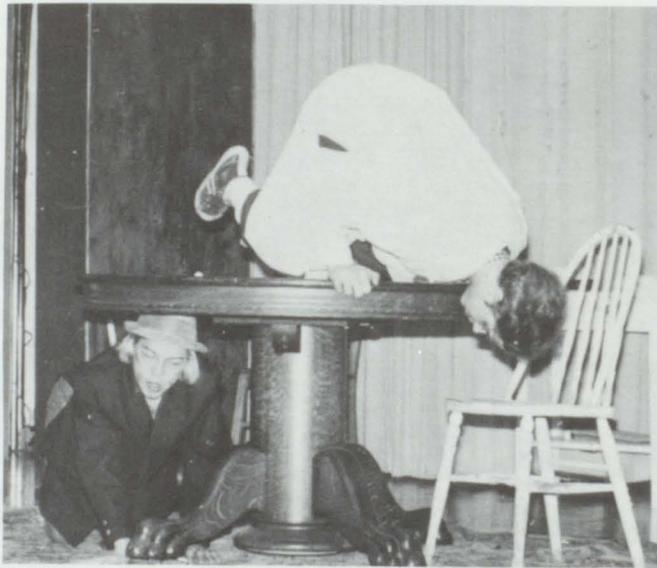

Next year if I get a part I'm not gonna have padding—I'm gonna be skinny. Class Play very good, great, exciting, greatest play ever put on in C.H.S.

Truly an enjoyable play—a crowd drawer to be sure.

Masterpiece of work well done, great acting. Play was a lot of fun.

There was a lot of ingenious brilliant kids—great class, well coached. They did a great job—best play I've ever seen.

I was proud to be a part of it. Great Success! Excellent, fantastic, excellent job!

Our record of 1-18 indicates that this was a rebuilding year. We really have our work cut out for our 74-75 season to try to get our program rolling again. We must, however, that the Senior boys who are graduating this year contributed to the 72-73 season's record, 21-4. We are looking for results next year!!!

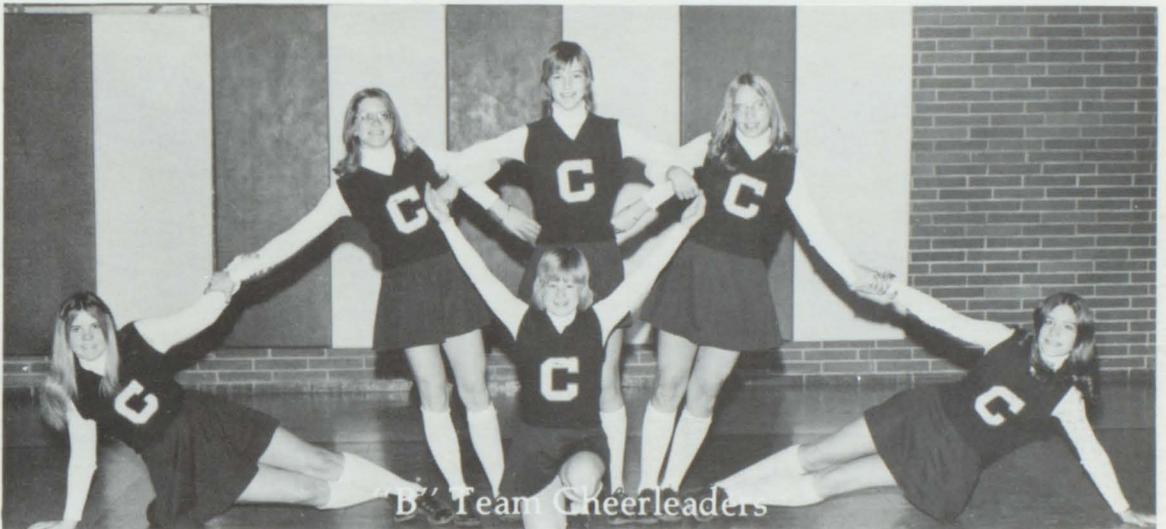

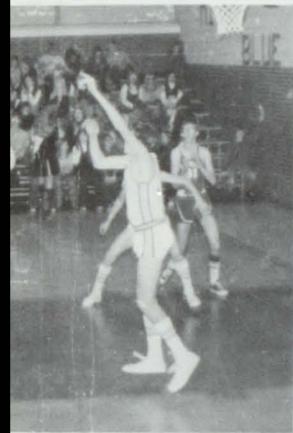

Even with this years record the A & B Squad Cheerleaders did a fine job in leading the specators. The girls' spirit and smiles brightened our tough season.

Track

The young and inexperienced Viking Track squad showed much promise despite a lack of upperclassmen. The weather also proved to be quite an obstacle as the rainy spring made it almost impossible to practice outdoors. These young men worked extremely hard and represented the school very well during the past year.

Class Play

Senior

The story centered around Hercules (Rory) and his friend Wilber's (Leslie) visit to Herc's uncle's home. Unknown to the two boys is the fact that he has become a mortician. When the boys find this out they are ready to go home but then Wilber's interest in Celeste (Fay) changed their minds. (or Wilber's mind) While there, they find out about the attempted murder of Mr. Quigley (Jeff L.) and start looking for clues. It ends when Frankie, (Anita) Celeste's sister, solves the mystry by catching the culprit, Dr. Brown, (Allan) but then Herc and Wilber took the credit.

Cast: Kathy Berry, Todd Gilbertson, Fay Kobbervig, Leslie Domier, Sharon Nesvig, Rory Anderson, David Kerestes, Mary Bratager, Todd Evenson, Jeff Larson, Rochelle

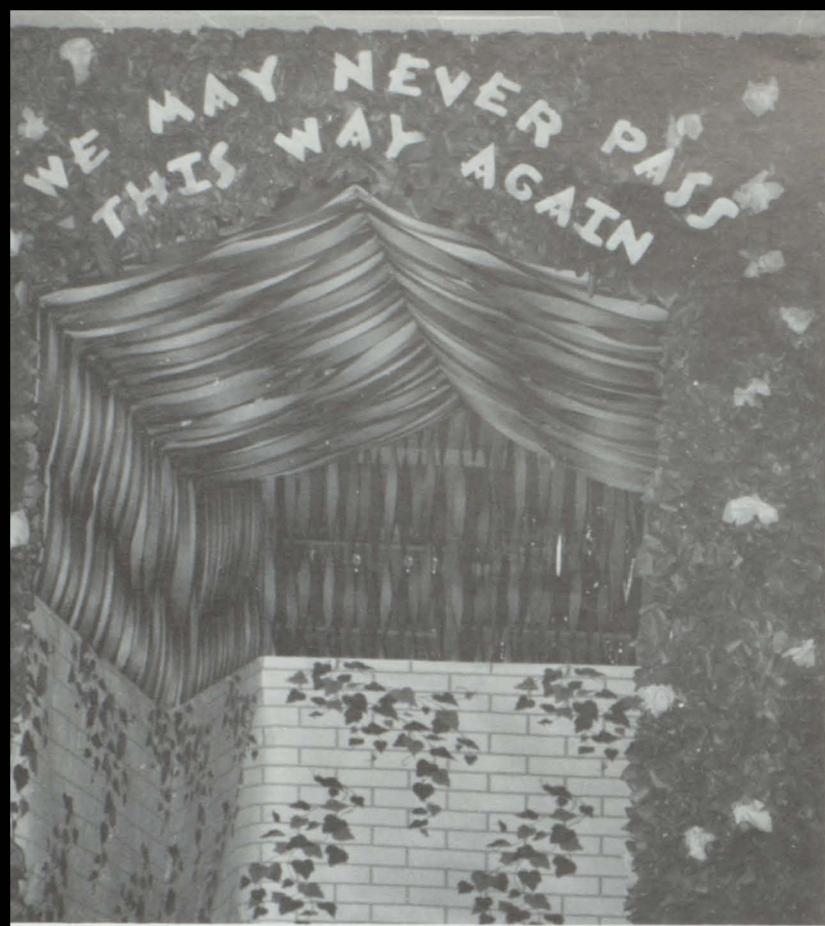

When Scott E. was asked what he liked about the play, he said, "The surprises!" Modest Roy said, "I thought I was terrific." But then added, "I thought the language was a little rough." Mrs. Lund labeled it as "A delightful comedy." When Mrs. Olson expressed her views she said, "Exasperating!" Then she added, "It was different. We had EVERYTHING happen to us. At practices we never really put it together, but that night I and Mr. Johnson felt it went off good-a pleasant shock. I felt it was a big Success!

Organizations

The many organizations that the school offered kept us happily occupied. The German Club had a strudel party with old time dancing. Everyone had fun. The FFA boys enjoyed their annual convention in Minneapolis. The girls also put on a ritzy-style show. A few unexpected surprises were included in a successful FHA banquet as well. Speech showed a number of Climax High contestants at the regional contest. The highlight was when Anita Grove captured first place in Creative Expression and went on to the State Contest. Band and Chorus combined to give us many hours of entertainment. Mr. Johnson did a fine job with his kids. Photo Club provided many chances for the kids to sharpen their picture taking. The Annual Staff would like to extend a special thanks to Leslie Domier for working hard all year to make sure we always had the pictures we needed. The Science Fair showed a lot of interesting projects with Billy Muhonen winning first place and advancing to the State Speech contest.

The Senior F.H.A.er's year got off to a fantastic start this year. In October for the second year in a row a Climax Sr. FHAer, Deanna Denison, received a District office. The year kept up the fast pace and in March they held their annual fund raiser. This was a bazar and bake sale. April was a busy month with ten Jr. and Sr. FHAer's, Mrs. Howson and Miss Schutt attending the State Convention. The State Convention was an exciting time for the whole chapter, because for the first time in many years, Climax ran a girl, Gaye Nornes, for state office. Although Gaye did not receive an office, she made it into the finals. The annual style show and Pops Concert, "Summer Breeze" was a huge success, with over three hundred people in attendance. The highlight of the whole year was the banquet which was put on entirely by the FHAer's themselves. The banquet theme, "Photographs and Memories", was carried out throughout the evening, with a slide presentation replacing the traditional speaker. The highlight for the evening was the announcement of honorary members and new officers.

The F. F. A. had a very successful year. The chapter took nine teams to the State Convention and came home with various awards. Five boys won Proficiency Awards, and Harlan Hestad received the Region I Star Agri-Businessman Award. He and Allan Bratten also won the State Farmer Degree.

We had a few minor problems while selling Christmas trees, as we ended up with quite a few trees left. The chapter also had a truck wash, pancake supper, R. R. V. W. S., the 50's Dance, Fall Leadership Rally, National Convention and Regional Banquet which all turned out to be successful.

For tomorrow's agriculture.

At the state convention five boys received proficiency awards: Placement in Processing-Randy Johnson; Agriculture Production-David Kerestes; Sales and Service-Harlan Hestad; Fish and Wildlife Management-Todd Gilbertson; and Crop Production-Allan Braaten. We are also proud to have a man like George Nornes who received the American Farmer award at the National Convention. Congratulations to these fine people.

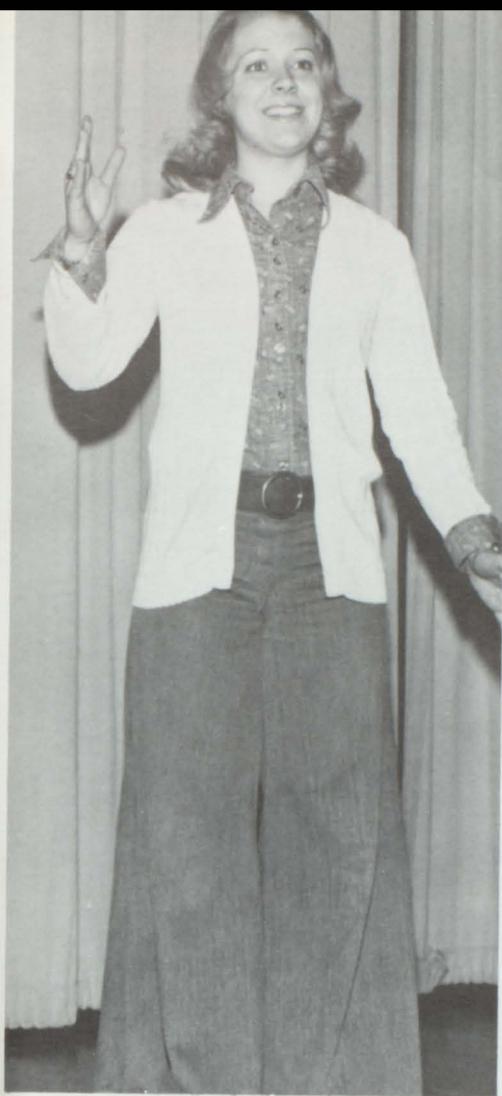

Allan Braaten: State Farmer, and Chapter Farmer
Harlan Hestad: State Farmer degree Region 1 Star Agribusinessman, Chapter Agribusinessman, Dekalb award.

(Not Pictured Donna Olson)

The Speech Department should be congratulated on a job well done. At the District 31 Speech Festival, we were pleased to find, that not only would we have nine regional participants, but would also receive the third place trophy. We made a good showing at the region where Anita Grove did a fine job with her entry in Creative Expression, She placed first in her division and third in the state. Congratulations Speech Department and Anita.

Music

The year 1973-74 has been very successful for our music department. First of all our band, thanks to the direction of Alan Johnson, received three A ratings at contest. Also something new was started. Mr. Jarl Iverson, our practice teacher, contributed much to our music department. He will be most remembered for helping to start a swing choir. The swing choir only performed once, but it was a great success.

Nine different solos and ensembles rated to go to one-regional state this spring, which was quite an accomplishment. They include: Julie Sorenson and Elaine Ramstad-french horn duet; Jeff Larson, Lori Wege, Joy Boe, and Candy Gronberg-saxophone quartet; Julie Nornes-flute solo; Jeff Larson-bass clarinet solo; Kim Haugen-trumpet solo; Danny Brokke-trombone solo; and Linda Paulsrud-clarinet solo. Also we had some ratings at state level. They include: Candy Gronberg and Joy Boe-saxophone duet; and Candy Gronberg-saxophone solo.

What kind of answers would you expect from a bunch of second and third graders if you asked them, "What was the most exciting part of your year?" Well, we tried it and here's what we came up with!

The Shrine Circus because we got free tickets and a bus ride and the chimpanzees had quite a little act.

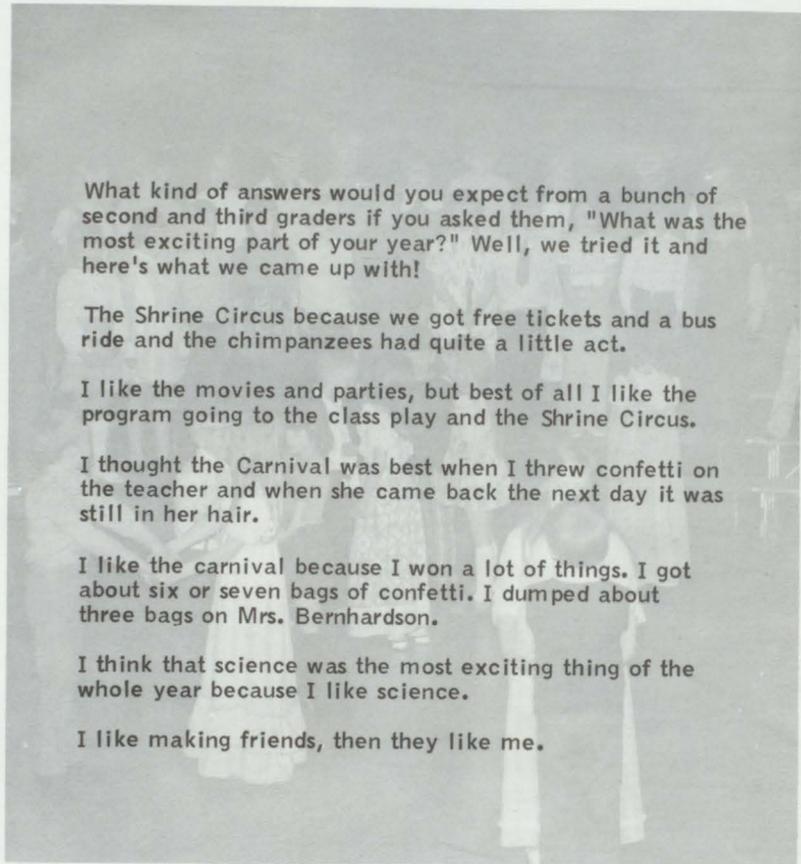

I like the movies and parties, but best of all I like the program going to the class play and the Shrine Circus.

I thought the Carnival was best when I threw confetti on the teacher and when she came back the next day it was still in her hair.

I like the carnival because I won a lot of things. I got about six or seven bags of confetti. I dumped about three bags on Mrs. Bernhardson.

I think that science was the most exciting thing of the whole year because I like science.

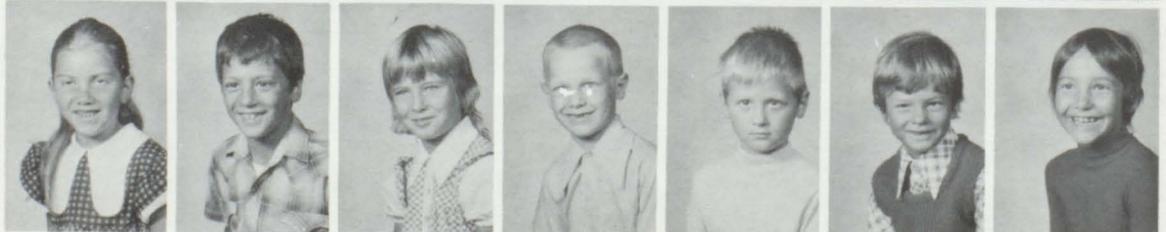

I like making friends, then they like me.

THE KINDERGARTEN COOK BOOK "Kool-Aid" by Tammy Bangen

Take some grapes and squeeze it and put it in a can. You bring it to the store and then you buy it. Put it in the refrigerator, then drink it.

"Chicken" by Barbara Skalet

You chop up some cows, and bring the meat in. They have bones inside. You fry it in a pan. Eat the chicken and leave the bones.

"Birthday Cake" by Ricky Lovstrand

You get some butter and some milk. Put the milk in, then put the butter. Take a bowl and stir it, or you can use a beater (then you beater it). You put 3½ cups of flour in, and 3 spoonfuls of water. Then you put it in the oven, and wait one-half hour. Take it out and eat it. This cake is white. It should have chocolate frosting.
