The Class of 2021 would like to dedicate this year's yearbook to our families. Our families have stuck by our sides through thick and thin. Whether we need help with homework, a hand to hold, a shoulder to cry on, or even just advice, we can count on our families to be there for us. This past year has taken a toll on all of us, but we have all managed to stick together and overcome any obstacles in our way. Thank you for the support throughout the years and in the years to come. We love you!

Gracie May,

You have been such a blessing in my life and our WHOLE family's!! Never in a million years did I know when I named you after my grandmother Grace did I know truly what Grace meant or felt and you carry yourself with such Grace and a natural elegance about you. I feel your name says A LOT truly about who you are as a person and I LOVE you for being who you are! Keep setting goals and your achievements will be many!! LOVE you MOST, Mom

Dear Sam,

Time has gone by way too fast. it seems like yesterday I was getting you ready to come home from the hospital, and now I'm getting you ready to head out into the world on your own. You have come such a long way from the shy little boy you once were to a towering young man with the world at your feet. I want you to know how incredibly proud we all are of you and we know that you will do great things in your life.

Love you to the moon and back and more.

Love, Mom, Harrison & Marley

Courtney,

***It has been a joy watching you grow from a
spunky little girl to a beautiful young woman.
You have worked hard to achieve many
accomplishments. We are proud of all you
have done and are excited for your future.***

***Love,
Mom and Dad***

Dear Morgan,

May you always follow your hopes and dreams, make them come true! Always remember you can do anything you put your mind to! You're smart, kind, and talented! Please know you're never too old to ask for help from mom and dad. We're so proud of you! Congrats to a wonderful future ahead.

*Love,
Mom and Dad*

Dear Dylan,

We are so proud of you and everything you have accomplished! We love you and wish you the best in the future! You will do great things! You have always been such a kind, smart, and loving boy. We will miss having you around all the time. Always know you're our little boy!

*Love,
Mom and Dad*

Dear Damian,

We closed our eyes just for a moment and suddenly a man stood where a boy used to be. We may not carry you in our arms but we will always carry you in our hearts.

You have given us so many reasons to be proud of you, but the proudest moments for us is telling others you are our son.

Mom & Dad

Kaedin,

I love you so much. I can't believe you're 17 years old. I can't wait to see what the future holds for you. Full of adventure. Full of life. You are the most amazing human I know. You are kind, loving, smart, funny, creative, independent, strong---the list goes on and on. You can do or be whatever you want to be. I will always be here. I love you to the moon and back times infinity times a billion.

***Love,
Mom***
