The Viking Yearbook

Presented by the

**Senior Class
and
Viking Staff**

of
Climax High School
Climax, Minnesota

To Mr. Arthur Vraa, football coach and teacher, we the seniors of 1961 dedicate our Viking.

We express our appreciation for the determination and desire to do anything in his power to make our school more football minded and to get the sport started seven years ago. His many hours of time and effort have now produced results. Football now is an established part of our extracurricular activities. Many young men now look back at the education they received the competitive sport.

Thank you Mr. Vraa for your dedication of time and effort.

We the seniors of "61" take a minute to enjoy the fresh air prior to completing the final weeks of a most enjoyable twelve years of education.

Together we have shared joys and sorrow, success and failure, but these few short years will be memorable ones. To each other we say, "Farewell and thanks for the pleasure of having been your classmate."

"SENIOR CLASS OFFICERS"

President--Rodney Spokely; Vice-President--Ruth Holland; Secretary--Mavis Morehart; Treasurer--Ione Bratager.

In 1958, twenty-eight ambitious freshmen entered the doors of higher learning to great things, individually and as a class, during the next four years.

One of our first big events was our freshman initiation.

During our sophomore year we attempted to be as torturing to the new "green freshmen" as we had endured the year before.

Our junior year was highlighted by the annual magazine drive which proved very successful and the junior play, "The Brainstorm," turned out to be one of the largest events of the year. The setting for the Jr.-Sr. Banquet, "Southern Plantation," was an achievement which made us indeed proud.

Our senior year began with the smash hit, "The Little Dog Laughed."

All of our twenty-six class members have been actively participating in many extra-curricular activities. Thirteen members of our class participated in the band, sixteen members in the chorus, and seven members in declamation.

In F.F.A. we had four State Farmers, one District Star Farmer, three Regional officers and numerous awards for judging teams.

We had three lettermen in basketball, seven lettermen in football and two graduating members attained membership on the 1961 "all conference" team.

During our graduating year Climax had its best football team in the history of the school. The year 1961, became a record breaking year for basketball. Climax defeated East Grand Forks and Crookston to attain second place in the district.

The preceding pages will give a history of the magnificent twenty-six graduating members.

MARCUS AND GRACE AAS celebrated their 25th wedding anniversary this summer. Fourteen of the 25 have been spent with our school. Marcus has been "chief engineer and maintenance director," as well as a helping dad to many of us during these years of faithful service. Grace has been keeping us well fed and happy during these same years. We hope we'll be with you on your 50th year of happy wedded life.

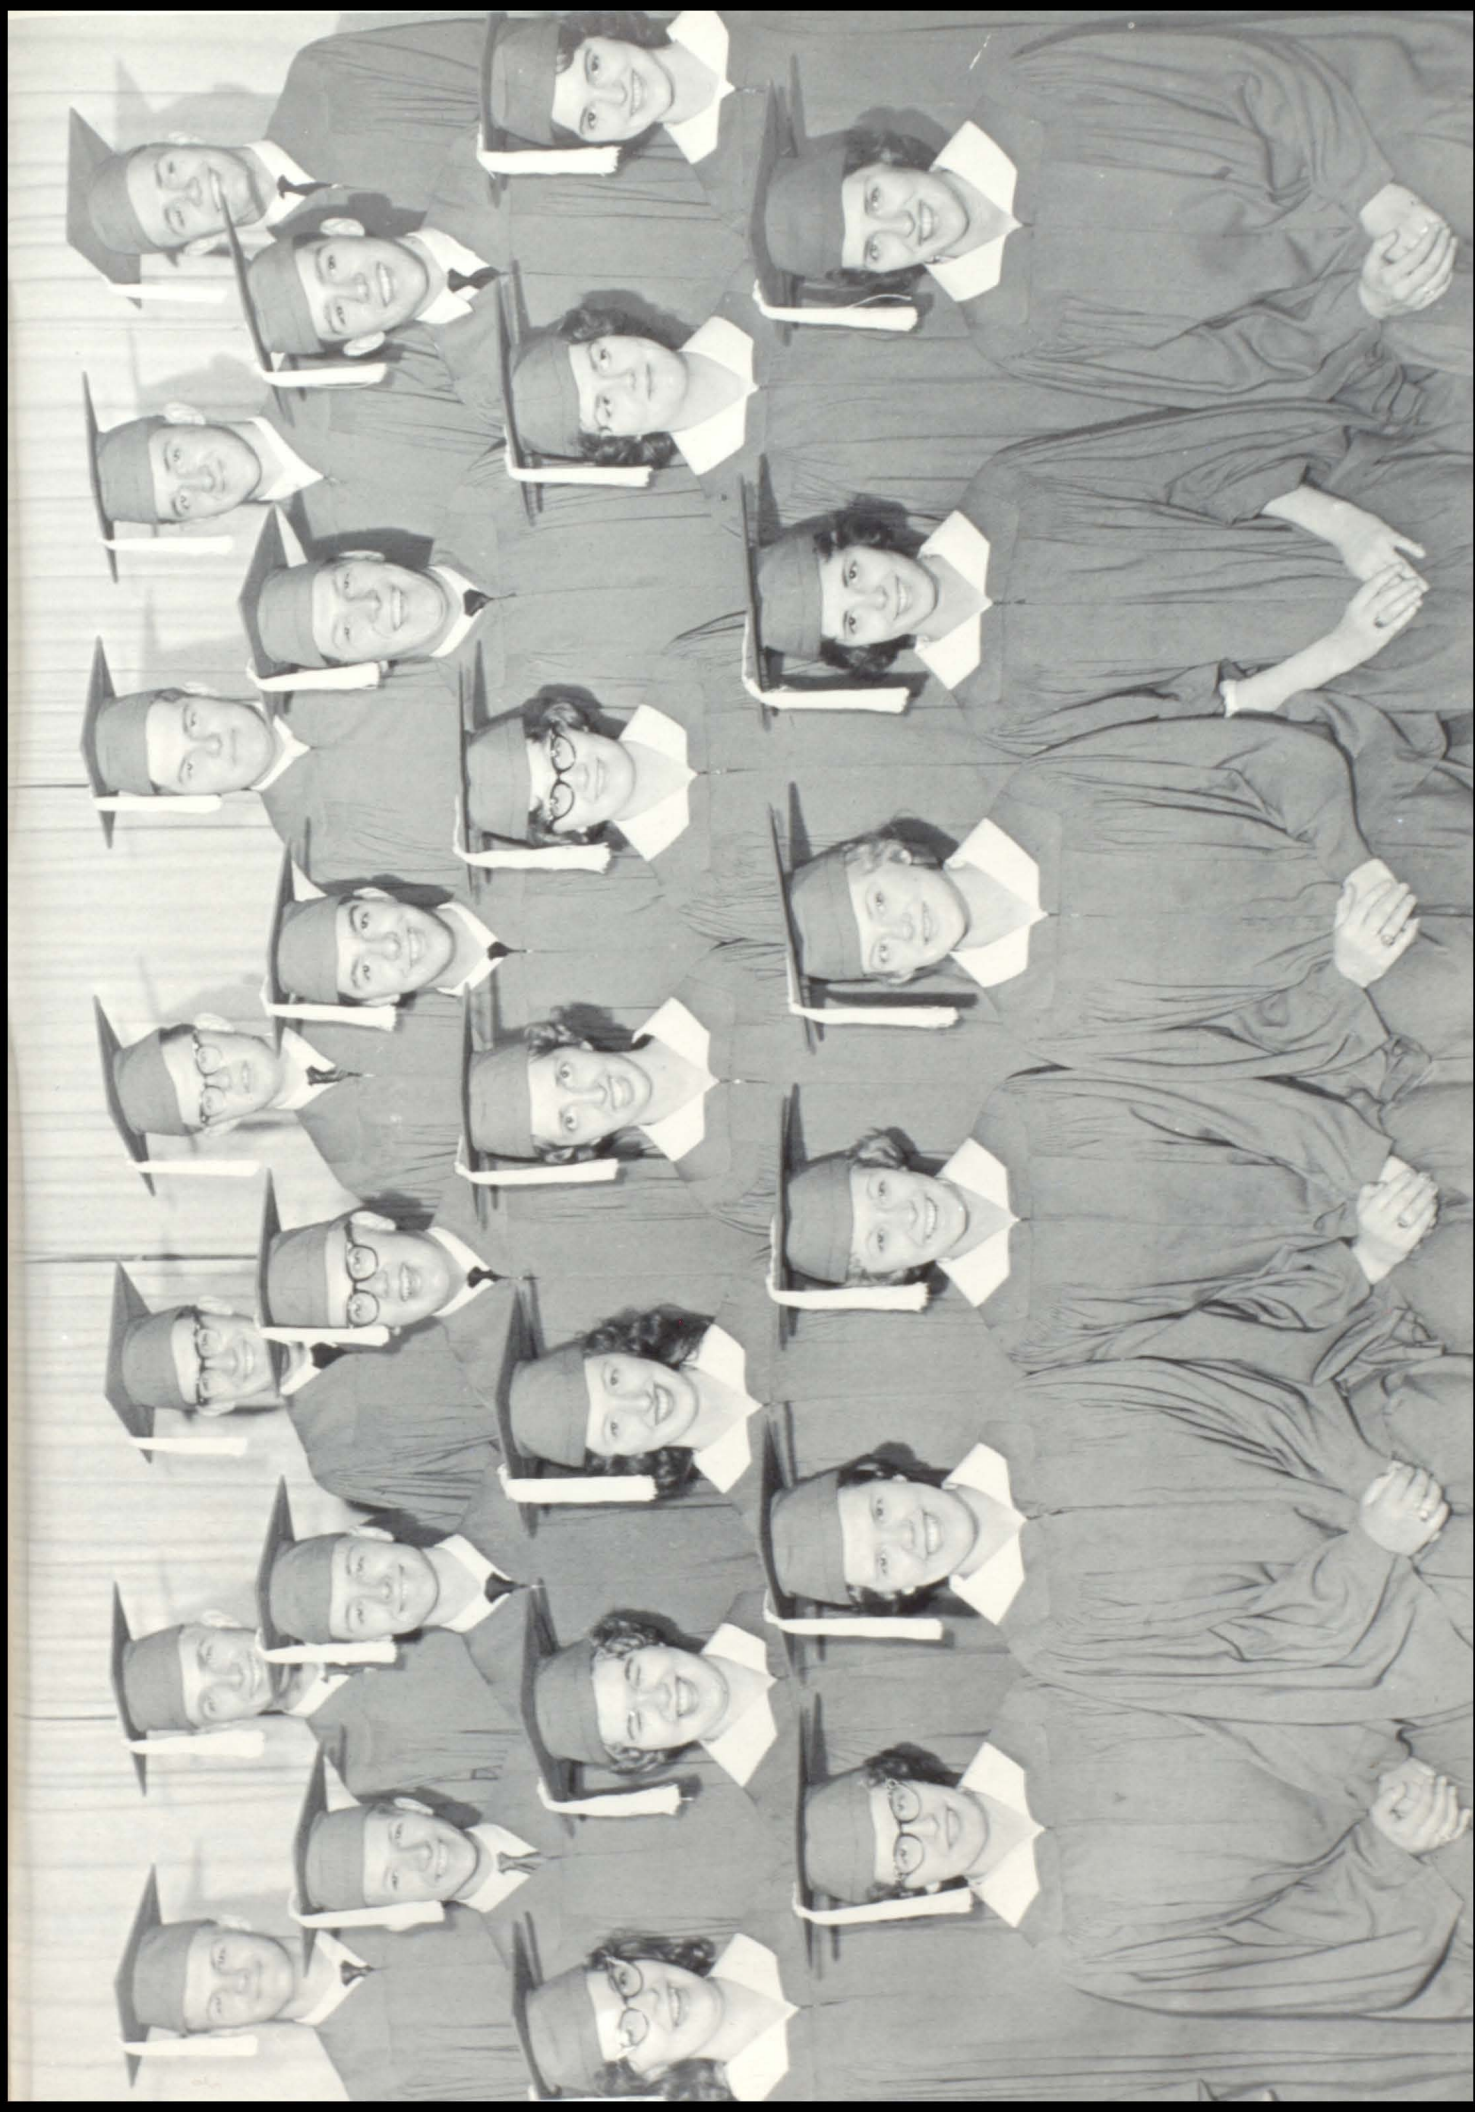

Two of our cooks, Mrs. Gilbertson and Mrs. Monson, together with their helpers keep the line going.

At right, Mrs. Berg butters bread for Kathy Thorson. Our cooks take pride, and rightly so, in a well kept neat kitchen. Thanks also for your patience and understanding cooks!

Our bus drivers always got us to school, even though the going was tough at times. Thanks for many pleasant trips.

Left to Right: Mrs. Orville Vang, Mrs. Roger Sondrel, Howard Hanson, Glen Dale, and Chester Mauritsen. Missing--Orin Monson.
