In September, 1954, 25 fresh freshmen entered the halls of Climax High School. Little did they know they were to become the best class ever to graduate from that institution. In the spring of our sophomore year eight class members were chosen to serve the Jr.-Sr. Banquet.

During our junior year we presented the play "Backwoods Romeo." This play took four months and seven directors to produce.

The annual Junior-Senior Banquet was given in the spring of "57," the theme being "Candy Cane Castle."

Audrey Bjorge and Brent Amundson became the "57" Home-coming Queen and King. That same fall our class presented the humorous play "A Little Honey," which proved to be one of the greatest dramatic attractions of the last ten years. The following pages will reveal our activities during the past four years.
