Climax Shelly School uses a variety of digital tools to support student learning. Technology vendors and software is utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted on our Website [www.isd592.org](http://www.isd592.org) and include an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

Please reach out to the school Principal or Superintendent for additional questions regarding specific digital tools used in classrooms. [Click here for their contact information.](#)

Sincerely,  
Climax Shelly School
