It's So Hard To Say Goodbye To
Yesterday

How do I say goodbye to what we had?
The good times that made us laugh
Out weighed the bad.
I thought we'd get to see forever
But forever gone away
It's so hard to say goodbye to yesterday

I don't know where this road
Is going to lead.
All I know is where we've been
And what we've been through
If we get to see tomorrow
I hope it's worth the wait
It's so hard to say goodbye to yesterday

And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to yesterday
And I'll take with me the memories
To be my sunshine after the rain
It's so hard to say goodbye to yesterday
