ADMINISTRATION & SCHOOL BOARD

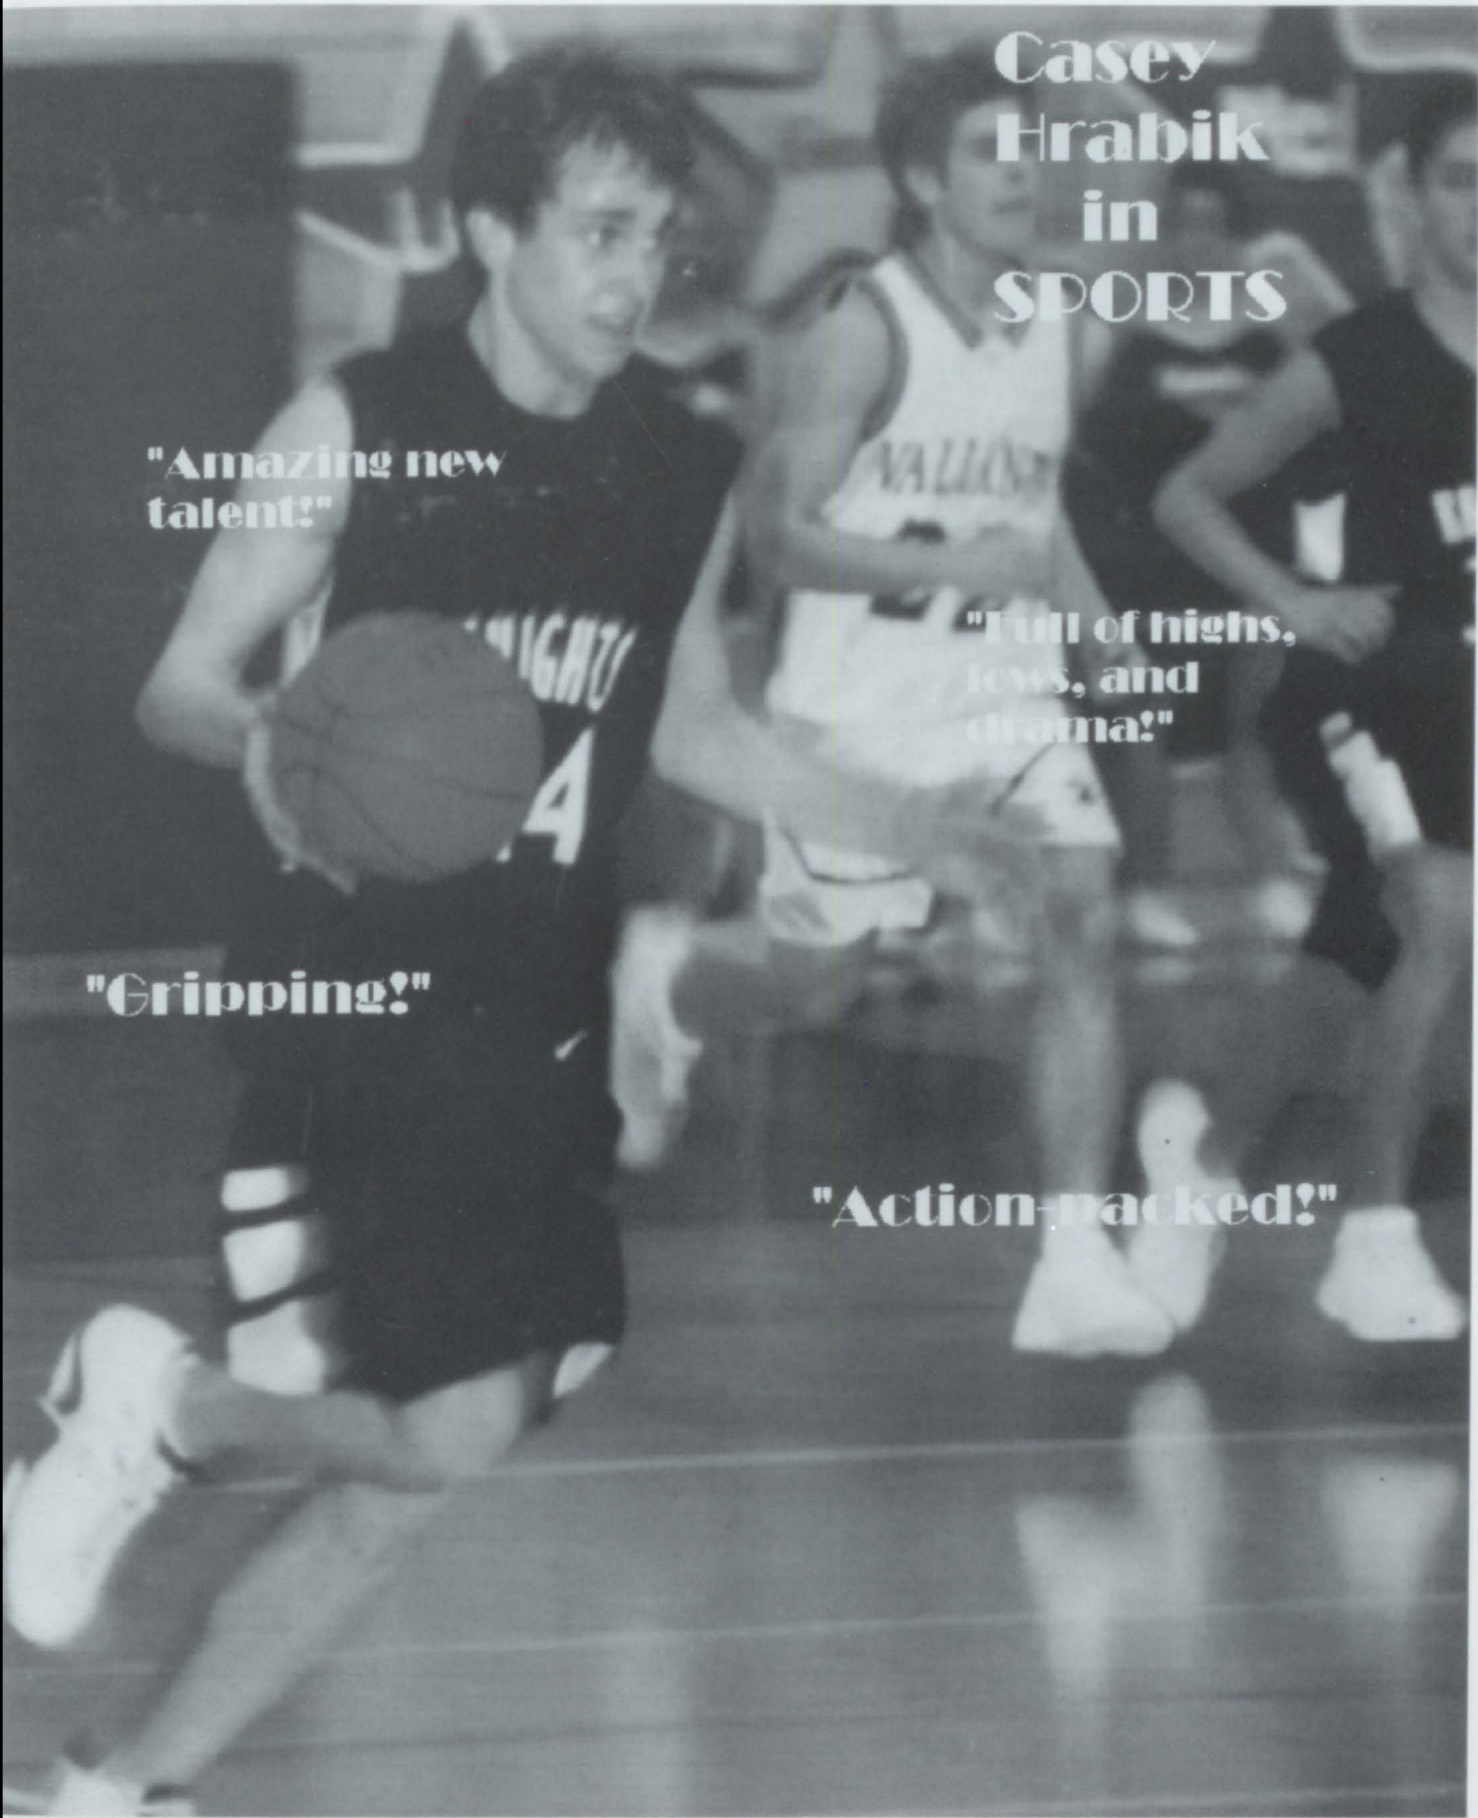

Our administration, which consists of Superintendent Mrs. Shirley Moger, K-12 Principal Nancy Newcomb, and Athletic Director Mark Fritz, contributes in many ways to make our school run smoothly. With all the duties they perform, it's amazing they find the time to smile for a picture!

The school board, a group of community members chosen to be the voice of Climax, Shelly, and Nielsville, makes decisions on a variety of things relevant to the day-to-day functions of our school.

Outstanding Dedication to Drama

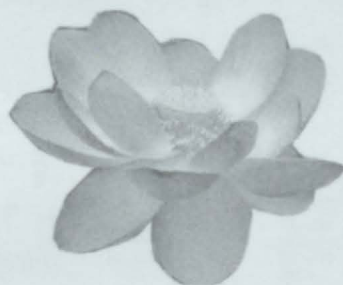

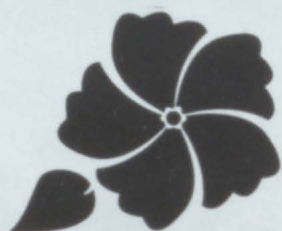

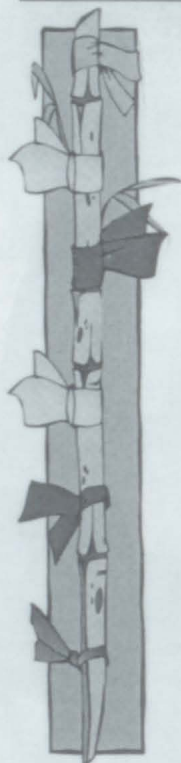

Jeff Bjorge

For their spring musical this year, the Climax Drama Department tried something a little different; they staged an original play based on stories from the Frog Point area. Written by two Moorhead college students and a Climax high school student, "Tales from the Red: The Frog Point Story" was a great success! With the Belmont Giant, Belle Mont, two Cajun boys named Joe Bob and Shakey, and plenty other memorable characters making appearances, it was a play nobody will forget.

東方園 Oriental Garden 東方

The juniors worked extra hard this year to perfect their dream prom, inspired by Mr. Miyagi's garden from the movie, *The Karate Kid*. They decided to do something a little different. The grand march was located at the school, and then the party proceeded to the Avalon in Fargo where the juniors and seniors dined and danced until dawn. The post-prom was held at the YMCA West center, where partygoers played games, climbed the rock wall, and skated in the skate park. A grand time was had by all.
