MOTTO: "Today Decides Tomorrow"

COLORS: Red and White FLOWER: Red Rose

1956 marked the memorable year when 23 lively, young freshmen entered Climax High School. Our initiation was our first and most remembered social event. This brave class survived the torture with flying colors.

During our sophomore year we returned the initiation to the new freshmen. Nine members of our class served as waiters and waitresses for the Jr.-Sr. Banquet held in May.

The first event of our Junior year was the annual magazine drive which was a tremendous success. Next came our class play, "Act Your Age," which was a very hilarious comedy. The Minnesota Centennial set the theme for our Jr.-Sr. Banquet. A hundred years of progress was depicted by our "Bridges of Time." During our successful senior year David Gilbertson and Gail Grove were crowned "Carnival and Homecoming King and Queen." This was followed by our class play, "Almost Summer," the Jr.-Sr. Banquet, and finally graduation.

We, the Seniors of 1959, will long remember our four years at Climax High School as a source of learning and social growth.

The Climax High School baseball team started slowly but finished in a blaze of glory. After a mediocre record during the regular season, they advanced to the finals in the district tournament. In the opening round in the tourney they defeated Oslo, Alvarado in the semi-finals, and then were defeated by Thief River Falls in the championship game. Congratulations to Coach Ellingson and his team.
