2020 Yearbook Dedication

Mr. Mitzel

The class of 2020 would proudly like to dedicate this year's yearbook to Mr. Mitzel. Mr. Mitzel has been in Climax-Shelly School for 10 years, starting as a para in 2010/11. He later took on the role as history teacher and has been since. Mr. Mitzel continues to support students in every way, academically and in extracurricular activities as well. You can find him running the scoreboard at volleyball and basketball games, as well as announcing at football games. At away games, the players can hear him on the court, screaming and cheering as loud as he can (which is actually pretty loud). He devotes countless hours to school activities and extra-curriculars not only as a teacher, but also as a bus driver, testing coordinator, and knowledge bowl coach. He's not afraid to pick up any job needed to keep the school running smoothly. He's a great role model, teacher, and friend to anyone that comes to the school. Thank you Mr. Mitzel for all you have done and continue to do. The class of 2020 will always remember you.

Distance Learning

In March of 2020 we experienced the start of the Covid-19 pandemic. We were all sent to our homes to begin a new adventure of learning from our homes which has been labeled distance learning. It was different and challenging for all. Here are the pictures that families submitted from their experiences.
